Amadas Coach Delivers Prevost Triple Slide to NASCAR's Kasey Kahne

(SUFFOLK, VA) – He's the up-and-coming star of NASCAR's Evernham Motorsports Team. In three years, No. 9 Kasey Kahne has won over \$12 million and had 23 top five finishes in a total of 84 races with already 3 wins in the 2006 season. He also runs the Kasey Kahne Foundation which raises funds for chronically ill children and their families. Now Kahne can add another footnote to his impressive resume, he's the owner of a new triple slide Prevost H3 45-foot custom motor coach conversion from Amadas Coach of Suffolk, Virginia.

"Quote from Kasey here if possible," said Kahne. "During the race season, I spend 3 to 4 nights a week in my Amadas Coach. It's a really cool and comfortable home at the track that is awesome to live in.," said Kahne.

Amadas Coach modified Prevost's standard entry staircase to curve gracefully in lightweight Caladonia granite and stainless steel. The front lounge features designer fabrics and buttery soft leathers in a brown, indigo and cream color scheme. The J-banquette and two custom sofas offer ample seating for 10 while viewing the 50-inch high definition television or listening to the surround sound system. Walls and cabinetry are finished in Zebrawood laminate, while the ceiling has a softly lit suede inlay.

The unit has a spacious galley that includes a full-size stainless steel side-by-side refrigerator, convection microwave oven, dishwasher, cooktop, and bar area with icemaker and stemware storage. Countertops are finished in light weight Caladonia granite and the European sink and faucet are done in brushed stainless steel.

The rear stateroom has a king-sized bed, custom storage units with lightweight marble countertops, plush carpeting and a 42-inch high definition flat screen television.

The master bath, located in the very back of the coach, makes a statement with the fixtures and shower unit, designed by Philippe Starck, one of the world's most prestigious contemporary designers. Full-body sprayers of many different sizes create a luxurious bathing experience. The shower walls and floors of the master bath are finished with breathtaking full sized panels of lightweight marble.

The exterior of the vehicle features a full awning package with custom fairings and a golf cart bay. Kahne's motorhome also includes a 14,000 Btu stainless steel grill on a power slide out, a refrigerator/freezer chest, an entertainment center with stereo sound system and 32-inch high definition LCD television. Amadas replaced Prevost's standard exterior marker lights with the sleek European side marker lights found on the BMW 5-series.

Kahne purchased the Amadas Coach Prevost through Tom Johnson Camping Center of Concord, NC. The coach is based in Kasey Kahne Racing's Mooresville, N.C. shops, and is piloted by Kasey's brother (and No. 9 Nascar Nextel Cup Pit Crew member) Kale Kahne. More information about Kahne can be found at www.KaseyKahne.com.

Amadas Coach was established in 1981 and is headquartered in two plants totaling 75,000 square feet in Suffolk and Moneta, Virginia. The company specializes in converting luxury motorhomes, executive transporters and luxury commuter coaches. The company's vehicles have been put to use by Garth Brooks, Alan Jackson, Keith Urban, Kenny Chesney, the Dave Matthews Band and many other well known names.
